

194.22 Raw milk dairies — exception.

[This chapter](#) does not apply to any of the following:

1. The production, processing, marketing, and distribution of raw milk, if the raw milk is produced by a raw milk producer at a raw milk dairy as provided in [chapter 195](#).
2. The manufacture, marketing, and distribution of a raw milk product or raw milk dairy product, if the raw milk product or raw milk dairy product is manufactured by a raw milk producer at a raw milk dairy as provided in [chapter 195](#).
